**ROBERTSON HEATING SUPPLY
WINS Rheem/RUUD
2015 GOLD LEVEL PREMIER DEALER AWARD!**

I am very pleased to announce that we are a recipient of the 2015 GOLD Level Premier Dealer award in their Highest Volume Group.

Rheem Air Conditioning Division introduced the Premier Performer Program in 2009 as a way to recognize Rheem and Ruud distributors that are setting the standard for excellence in their markets. They utilize this program to annually measure outstanding Distributor performance based upon consistent requirements. We are excited and honored to have earned our first Premier Performer Award.

All Rheem/Ruud distributors were measured on ten key performance measurements.

Without Dealers like you this type of award is not possible... **THANK YOU** for your business, and we look forward to servicing you again in 2016!

I will be attending a meeting in June in Arizona where we will be recognized for our achievement and at Rheem/Ruud's 7th annual Premier Performer Distributor Council.

Thank you again!

Best Regards:
ROBERTSON HEATING SUPPLY
